Notes

- Direction signs on one-way system to be amended as necessary to show revised route through town.
- A Brook Street - Jehu Road junction.
 Island revised to allow two-way traffic flow on Brook Street.
 Refer to drawing Figure 3 for details.
- B Union Street - Church Street Junction.
 Junction revised to allow two-way traffic flow on Brook Street. Right turn from Union Street into Church Street removed, all eastbound traffic on Brook Street/Union Street to turn left onto Church Bank.
 Refer to drawing Figure 4 for details.
- C Broad Street. Parking section.
 Road reduced to single traffic lane 3.7m wide with road markings, physical width unchanged.
 Refer to drawing Figure 5 for details.
- D Broad Street by Town Hall.
 Road physically narrowed to single traffic lane 4.5m wide, Zebra crossing facility provided at east end of narrowing.
 Refer to drawing Figure 5 for details.
- E High Street - Jehu Road Junction.
 Footway built out over current hatched area to prevent illegal & inconsiderate parking adjacent to traffic islands.
 Refer to drawing Figure 6 for details.

Key

- One-way Traffic Flow
- Two-way Traffic Flow
